Subject: Stop EnergySolutions' Italian nuclear waste import submission

Insert personal comments here: : Energy Solutions must be stopped now. We don't want them here now, much last expand their huge money sources at our expense. Utah cannot accept this serious departure in the USA policies for handling nuclear waste. We cannot even deal with the current problems of the waste in the Blanding-Moab area! Please say "NO" to the risks of public health, terrorist attacks, safety and security. I strongly urge the Commission to reject the EnergySolutions application.

Thank You, Dr. Cornelia Madsen
