FINAL SUMMARY OF INFORMATION COLLECTION REQUEST

Title: NRC Form 241, "Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters"

Current Burden/Responses: 1,033 hours/3,963 responses

Proposed Burden/Responses: 582 hours/2,188 responses

Number of Respondents: 140

Burden Attributable to Third-Party Collections: None

Frequency of Response: On occasion

Reasons for Changes in Burden/Responses:

The NRC reviewed the actual number of responses received during the last 3 years and found that the number of forms submitted was lower than previously estimated. An average of 2,188 forms were filed annually, rather than the previous estimate of 3,963 forms, an overall reduction of 1,775 forms. The number of initial submissions decreased from 167 to 140 (a reduction of 27 forms and 14 hours); the number of revisions decreased from 600 to 412 (a reduction of 188 forms and 47 hours); and the number of clarifications decreased from 3,196 to 1,636 (a reduction of 1,560 forms and 390 hours).

As a result of the reduction in the estimated number of forms filed annually, the overall burden estimate has decreased from 1,033 to 582 hours, a net reduction of 451 hours.

Effort to Identify Duplication and Use Similar Information

No sources of similar information are available. There is no duplication of requirements. NRC has in place an ongoing program to examine all information collections with the goal of eliminating all duplication and/or unnecessary information collections.

The Agreement State licensees do not routinely submit information to the NRC. Therefore, there is no similar information available to NRC that can be used to keep track of the Agreement State licensees' activities conducted in non-Agreement States, areas of exclusive Federal jurisdiction, or offshore waters under the general license provided for in 10 CFR 150.20.

Abstract: Any Agreement State licensee who engages in the use of radioactive material in non-Agreement States, areas of exclusive Federal jurisdiction, or offshore waters, under the general license in Section 150.20, is required to file, with the NRC regional administrator for the region in which the Agreement State that issues the license is located, a copy of NRC Form 241 ("Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters"), a copy of its Agreement State specific license, and the

appropriate fee as prescribed in Section 170.31 at least 3 days before engaging in such activity. This mandatory notification permits NRC to schedule inspections of the activities to determine whether the activities are being conducted in accordance with requirements for protection of the public health and safety.
