**SUBJECT: JOHNSON & JOHNSON PHARMACEUTICAL RESEARCH & DEVELOPMENT LLC AND JOHNSON & JOHNSON STERILE PROCESS TECHNOLOGY, REQUEST FOR ADDITIONAL INFORMATION CONCERNING FINANCIAL ASSURANCE DOCUMENTS, CONTROL NOS. 139123 AND 142452**

Dear Mr. Smock:

This is in reference to your Parent Company Guarantee dated March 31, 2008 providing financial assurance for decommissioning for Nuclear Regulatory Commission License Nos. 29-02608-03, and 29-00206-07. In order to continue our review, we need the following additional information:

1. Item #3 of the Parent Company Guarantee did not list all of the facilities along with the associated license number for each facility. As listed in our guidance NUREG-1757, Volume 3, 'Consolidated NMSS Decommissioning Guidance, Financial Assurance, Record keeping, and Timeliness,' Checklist 13-B, item 3., "the names, addresses, and license numbers of the facilities for which the guarantee provides financial assurance and the amounts guaranteed for decommissioning activities. Please provide a Parent Company Guarantee which lists all of the facilities as stated on the license.
2. Since the Parent Company Guarantee was written, License No. 29-00206-07, was amended to change the name of the licensee to Johnson and Johnson Sterile Process Technology and an additional location of use was added to this license. An amended Parent Company Guarantee should have been received with this request. Please submit a Parent Company Guarantee with the correct Licensee name and new location of use added to Item #3.
3. Since one location of use in Pennsylvania was removed when Pennsylvania became an Agreement State, the previous Parent Company Guarantee cannot be returned until financial assurance has been accepted by Pennsylvania. No response is required for this item.
