Dear Sir/Madam:

We are currently in the process of acquiring a PET/CT scanner, which will be installed in our facility in the near future. I would therefore greatly appreciate if you amend our license to include GE 68-100mCi for sealed source and F 18-FDG 500mCi limit.

I would also like to request the removal of Dr. Amelia Cardo and Dr. Arthur Greene from our license since these physicians are no longer affiliated with our practice.

Thank you very much for your time and consideration in this matter.

Sincerely,

Parviz Khorrami, M.D.
