Tom I leave that decision to you but let me know ASAP so I can adjust the contract. We are already looking at about \$3500 for the contract in total (we are actually doing two contracts one for the room rental ~\$1900 and the equipment and fees/service charges on the other \$1500) so that will put our equipment bill a littler closer to 1700 not 1500 if we do 10 table or I could do 8 on the bill and add more if necessary on the day of the meeting. Thoughts here gentlemen on how many exactly 8 or 10?

Laura:

that's a critical issue - we've never asked them to pay for them before at any meeting and they will put up a big scream, believe me - not the best way to start a meeting. For the small cost, can't we fold this into our hotel contract? I would greatly suggest that we do so. thanks for alerting me.

We have 5 for NRC use and the hotel will have 10 more available but for 25 bucks each so the organizations will need to be told this if not already done, Chip? The organizations will need to pay the hotel for use of the tables (\$25).

Laura,

Chip expects as many as six groups will want tables for their displays. Do we have enough (and a few extra, just in case)?

Thanks,

Tom F.
