License No. 37-28442-02

THRU: Marie Miller, Chief *Marie Miller*
Nuclear Materials Security & Industrial Branch

FROM: Michael Reichard *Michael Reichard 06/04/08*
Health Physicist

SUBJECT: Final Material Disposition for Retired License, J&L Testing
Company, Inc., 37-28442-0 2

The license for J&L Testing Company, Inc., 37-28442-02, was revoked on April 10, 1998. LAT records indicate that the license was retired following its expiration on February 29, 2000. As documented in telephone records ML080940282, ML080950439, and ML081560129, the licensed material was transferred to an NRC licensee with the authorization to possess the devices.
