We heard from Va but they just said they had no concerns. The only contact info I have is who I sent the letter to which I can provide if you like. Let me know

Laura

Laura,

Did you ever get a response from FWS for Calvert? I'm going to set up a conference call with them and MD if possible. Just wondering if you had any contact names/numbers for FWS and DNR...

If not, I'll search again.

Thanks,
H

Harriet/Roy,

I have recently reviewed the T&E list for Calvert Co., Maryland on the Md DNR website <http://www.dnr.state.md.us/wildlife/rte/rte07calvert.pdf>. I don't think any new issues need to be raised with respect to terrestrial critters, but I'm not sure and am also not sure about all of the plants listed. I would like to also discuss this with the Md DNR Natural Heritage folks. Shall I set up a conference call for them as well as the USFWS?
