Thanks I needed the info for the Distribution of the letters. Lets get together today and work out some of the contacting and other things to do for the meeting. Are you free at 2 this afternoon?

The resident inspectors are Silas Kennedy (SRI) and Marlene Davis (RI). Marjorie McLaughlin, RI State Liason Officer, should be informed of the scoping meeting. I don't know if Regions have PMs for licensees in the sense that HQ has that position. However, the RI DRP Branch Chief in charge of CC is Glenn Dentel - he should be aware of the meeting and site audit.

I don't know who the DORL contact is.

Scott Burnell usually handles OPA for scoping meetings. If he's not the one, he'll know who is.

To All:

Please replace the NRC Reviewers list with the one attached, dated 1/25/2008. Ed Fuller's Branch was corrected to SPLB.

Also, here's a list of assignments sorted by task. It may be handy if you want to talk to others working on the same task as you.

Thanks,
Tom F.
