We will be having a public meeting for the Calvert Cliffs New reactor application. The meeting is March 19th 2008 at the Holiday Inn Select located at 155 Holiday Dr Solomons MD 20688 their phone number is 410-326-6311. There will be tow meetings. One will start at 1pm and go to approximately 4pm and there is an open house before the meeting that starts at noon. The second meeting is at 7pm to approximately 10pm. There is also an open house for that meeting also from 6-7pm. We would like to have security for both the open house and the meeting. I am thinking 5-10 officers will be good. We are expecting 300-350 people for the meetings (especially the evening meeting). I also left you a voice message regarding this. If you have questions please let me know.

Thanks
Laura
