DECLARATION OF John M Bessell

Under penalty of perjury, John M Bessell declares as follows:

1. My name is John M Bessell. I am a member of Blue Ridge Environmental Defense League.
2. I live at 187 Carruthers Rd Semmes TN 37371. My home lies within 50 miles of the site in Jackson County, Alabama, for which Tennessee Valley Authority has applied to the U.S. Nuclear Regulatory Commission ("NRC") for a Combined License for the construction and operation of two new nuclear power plants.
3. Based on historical experience with nuclear reactors to date, I believe that these facilities are inherently dangerous. Therefore, construction of one or more new nuclear reactors so close to my home could pose a grave risk to my health and safety. In particular, I am concerned that if an accident involving atmospheric release of radiological material were to occur, I could be killed or become very ill.
4. Therefore, I have authorized Blue Ridge Environmental Defense League to represent my interests in this proceeding by opposing the issuance of a Combined License to the Tennessee Valley Authority.
