**MOTION TO REQUEST AN EXTENSION OF TIME  
TO SUBMIT SUPPLEMENT TO THE PETITION**

In response to the Memorandum and Order issued by the Atomic Safety and Licensing Board Panel on June 18<sup>th</sup>, Joint Petitioners hereby respectfully request an extension of time to submit the supplement to our petition ordered by the judges in this matter. The reasons for our request are as follows. First, I have a long-standing appointment on June 25<sup>th</sup> with my personal physician for a follow-up screening for a serious illness. The physician will be unable to reschedule this appointment for several months, a delay which would put my health at risk. I am filing this motion at the first possible day after my return from a week of absence from my workplace. Joint petitioners have been fully prepared to respond in a timely way to the forthcoming answers to our petition and other filings expected by month's end. However, the unexpectedly short deadline of the ASLBP's request one week from its service renders an adequate response by us impossible at this time. We recognize and respect the ASLB panel's need for

supplemental information in this matter and we wish to comply fully and completely.

Therefore, we request an alternative deadline of July 9<sup>th</sup>.

With respect to the three business days before the due date for the filing of a motion for extensions of time, we submit that the filing of this motion early Monday morning before the Wednesday due date complies with the order of June 18<sup>th</sup>.

For the reason cited above, I have not had a chance to confer with other participants but I will do so this day and will relay their responses to the ASLPB without delay.

Respectfully submitted,
