Request for Amendment No. 09

Gentlemen:

Pursuant to the Code of Federal Regulations, Title 10, Part 30, "Rules of General Applicability of License of By-Product Material", Neutron Products, Inc. requests an amendment to its current license No. 19-12667-01 to use the hot cell which was licensed under amendment No. 06 as a facility for irradiating various packaged materials.

In performing such irradiations the Company will use only double encapsulated sources which it is otherwise permitted to have on the premises
