Subject: Disposition of Original Letter of Credit
(NOTE: This will be used as the Documents Title in ADAMS)

Summary: Ms. Winschel called and had some questions about the licensee's Letter of Credit. The licensee was stating to them that they needed a new original document. She informed me that the Bank does not issue new documents that a form notifying them of the loss of the Letter of credit must be completed and requested that the NRC fill it out. I replied that I needed some time to look over the documents that were on file to determine what happened.

10:50 I spoke with Ms. Winschel. The original signed duplicate of the Letter of Credit had been returned to the licensee on January 24, 2006. Fitzroy Smith was listed as the contact person and the Letter of Credit was from Riggs National Bank dated July 26, 1990. This document should be returned to the NRC since it contains language missing from Amendment No. 2 which is in the possession of the NRC. Ms. Winschel indicated that she would contact the licensee.

Action Required: Place in ADAMS under MCN 141760.
