Re: Estate of Hector Collison

Dear Mr. Thompson:

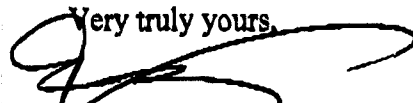

As you will recall, this Firm is Personal Representative to the Estate of Hector K. Collison. Please add Dr. Abbas Motazedi as the only authorized user and radiation safety officer under the license of Hector K. Collison at the following address:

Washington Hospital Center
106 Irving Street, NW, Suite 1500 N
Washington, D.C. 20010

This change is being requested during the pendency of a new application for license for that location and will remain effective during that time period but in no effect will this request remain for more than ninety (90) days from the date of this letter.

Any questions or comments may be directed to me.

Very truly yours,

**Timothy Guy Smith
Personal Representative of the
Estate of Hector K. Collison**
