I called but got your answering service. Preceptor signed was Dr. Daniel J. Lee. Stated authorized by 35.390. However to sign for a 35.200 AU they also need generator experience which wasn't checked. Many times these doctors will for get to check 35.200 qualification. So is Dr. Lee and authorized user for 35.200 or 35.300 with generator experience?

Thanks

Mr. Lawyer, Responding to your question about a preceptor for authorized user for uses in part 35.390. Who is the preceptor & who is the authorized user? I'll look them up. Tried to call but got a busy signal. I'm back in the office from a short course & will be the rest of today & 9-5 tomorrow.
