Ms. Thibault:

The information provided by Mr. Smith in his response regarding the documents' location is accurate. For additional convenience, the Staff will include the documents in the regular ADAMS system and provide ML numbers for both documents.

Regards,  
Andrea' Z. Jones

Ms. Thibault,

The two requested documents were attached as Exhibits B & C, respectively, to the "Applicant's Consolidated Response Regarding Foreign Ownership and Hearing Procedures," dated June 9, 2008. The documents are also available in the NRC's Public Document Room and/or ADAMS Legacy Library under the Accession Nos. provided by the NRC Staff. (Note: for documents in the Legacy Library, the prefix of "ML" is not used.) I have also attached them here for your convenience.

Tyson

The Board requests that the NRC Staff provide correct ADAMS accession numbers for the documents cited in its June 9 Response, at page 7, as "Accession No. 9805260014" and "Accession No. 9806120319." Alternatively, please indicate precisely how to locate the documents with the cited "Accession No's," or provide the documents in question to the board and all parties, as soon as possible.

Thank you,

Johanna Thibault
