ATTN: Kathy Dolce Modes

Dear Kathy,

How have you been? I hope it will be easier to find our Warrenton Plant, the next time, with the address I sent you in our last correspondence.

Superior Paving Corp is requesting permission to store our density gauges at the Spotsylvania Plant located at 9010 Luck Stone Lane, Fredericksburg, VA 22407. The gauges will be stored in a locked steel vault measuring 8 feet wide and 4 feet deep, weighing 400 pounds. The vault will be placed outside anchored to the ground.

Please let me know, what additional information you may need to complete this request. I may be contacted at the office (703) 631-0004 or on my cell (571) 641-0169.

Sincerely,

Tony Loconti
