Re: Rohm and Haas Company, PADEP License Number 37-01665-01;
Financial Assurance Instruments

Dear Mr. Lord:

I have received the original Standby Trust Agreement, dated May 19, 2008, and the Certification of Financial Assurance, which were submitted on behalf of Rohm and Haas Company (Pennsylvania Department of Environmental Protection Radiation Materials License Number 37-01665-01). The Department previously received the original Irrevocable Standby Letter of Credit, in the amount of \$1,125,000.00 and dated May 8, 2008, issued by U.S. Bank National Association for the account of Rohm and Haas Company. I have reviewed all the financial assurance documents submitted; the Certification, the Letter of Credit, and the Standby Trust Agreement for Rohm and Haas Company (R&H) are approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments R&H currently has on file with the NRC should be cancelled and returned to you as soon as possible.

Thank you for your prompt attention to this matter.

Sincerely,

Richard S. Morrison
Assistant Counsel
