The Honorable Richard A. Meserve
Chairman
U.S. Nuclear Regulatory Commission

Dear Mr. Meserve:

Thank you for sending me the updated "Safeguards" information that was enclosed with your letter of August 19, 2002. I appreciate your working with me and with my fellow Governors to ensure security at our nation's nuclear facilities. I recognize that certain threat conditions will require supplementing licensee resources with state and local resources and stand ready to assist when needed.

Thank you again for writing to me and for sharing this information with me.

Sincerely,
