1590 RES
NRC Additional Information Ref: License SUB-15920

5.1 The transaction consisted of an Acceliner Service Company Ltd. sale of stock to a new holding company. There has been a name change to Oncology Services International, Inc. although our tax ID is still the same

5.2 There have been no changes of personnel who are responsible for handling DU.. The Radiation Officer has not changed.

5.3 There are no plans to change the location or storage of DU, the address listed on the license is still valid.

5.4 All required surveillance has been performed.

5.5 There will be no transfer of records or product.

Appendix F

1. As described above all Acceliner stock was purchased by a holding company known as OSI Holdings 1, LLC. The original owners of Acceliner still own 20% of OSI Holdings 1, LLC. The operating company, Acceliner Service Company Ltd. has had a name change to Oncology Services International, Inc., the tax ID has not changed. If more information is needed you can contact Philip Podmore @ 201-825-6960.
2. There have been no changes in personnel
3. There have been no changes in location, facilities, equipment or procedures.
4. The only surveillance program is to track inventory levels and this is ongoing
5. No records are being transferred.
6. No records are being transferred.

Sincerely

Philip R. Podmore
President
