SUBJECT: THANK YOU FOR HOSTING THE U. S. NUCLEAR REGULATORY
COMMISSION ENVIRONMENTAL SCOPING PUBLIC MEETING

Dear Ms. Jones:

The U.S. Nuclear Regulatory Commission (NRC) staff would like to thank you and the City of Holly Springs for their willingness to let the NRC use the Holly Springs Cultural Center for our public meetings on June 10, 2008. We would also like to thank Mr. Barry Jaked for his support with the audio/visual equipment. The help we received from you, Barry, and the other staff of the Cultural Center in the staging of the tables for our meeting materials and registration, setting up of the microphones and presentation projector, and allowing us to stage our shipping boxes overnight in the Cultural Center was key for our success.

Thank you for welcoming the NRC into your community and we look forward to returning to Holly Springs, North Carolina. Please feel free to contact me by phone at (301) 415-3803 or via email at donald.palmrose@nrc.gov. Thank you again for all of your efforts in making our public meetings very successful.

Sincerely,

/RA/
