Subject: *Amendment to License 07-00455-27 for E.I. DuPont de Nemours, Inc., Chestnut Run Plaza, Wilmington, Delaware*

To Whom It May Concern:

I am writing to request an amendment to our Chestnut Run Plaza license (License No. 07-00455-27) to make the following change:

- Change the name of our Radiation Safety Officer from Keith A. Swain to Michael B. Ohm.

Mr. Swain's job assignment has changed, and he will no longer be able to support the radiation safety program at this site.

Mr. Ohm is currently serving as the Radiation Safety Officer at the DuPont Experimental Station (License No. 07-00455-02 and 07-00455-41) and the DuPont Stine-Haskell Research Center (License No. 07-13441-02). Mr. Ohm has attended a forty-hour Radiation Safety Officer Course (CSI Radiation Safety Academy, Gaithersburg, MD) and has over eight years of experience in the use of radioactive materials.

Please feel free to contact me if you have any questions or comments regarding this amendment request.

Sincerely,

Michael B. Ohm
DuPont Company
Radiation Safety Officer
