Docket No. 03033828
Control No. 142515

Dr. Lee,

In your letter dated February 15, 2008 you requested the addition of Moein Faghieh Vaseghi, M.D. as an authorized user. On May 6, 2008, Michelle Simmons, of our office, requested additional information for Dr. Vaseghi. Consequently, we did not receive that information and Dr. Vaseghi was not added to the license. Now with your June 12, 2008 request you are once again requesting Dr. Vaseghi be added to your license as an authorized user. Unfortunately, the information you provided is not complete. In order to complete the review, I need the entire NRC 313A(AUD) completed and a copy of the Mount Sinai Medical Center license listing Josef Machac, M.D. as an authorized user. Specifically, on the NRC 313A(AUD) Part I, items 3.a. and 3.b. must be completed in their entirety.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.
