Dear Dr. Klegman,:

It has come to our attention that Amendment No. 21 to NRC License No. 21-10717-01 contained an error.

Your request to use Bard STM1251 brachytherapy sources was inadvertently left off of your NRC license. These sources have been added as requested in your facsimile dated August 16, 2007. We apologize for any inconvenience this may have caused you.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

James R. Mullauer, M.H.S.
