Dave,

A slight hiccup in date of this trip. Trip is actually August 26 and 27. and not August 13. Would it be possible to give the staff a bit more time to prepare the briefing package than what is tracked on the EDO G20080459. Thanks the Megan for point out the hiccup.

I have attached the draft agenda as it stands today, Rick Skokowski has been in contact with me, as has George Johns from the State.

Thanks

Steve
