Gentlemen:

As per my discussion with Mr. Steve Courtemanche (NRC), we are hereby requesting cancellation of our U.S. NRC License as we no longer have a need for it. We currently maintain a New York State License through the New York State Department of Labor (No. C2574), which is all that is required to utilize our equipment in New York State.

It is our understanding that in March 2008, the Commonwealth of Pennsylvania became a reciprocal state and we can now use our NYS license across the border into Pennsylvania to service a few projects we have in Erie, Bradford and Warren, Pennsylvania.

We trust this correspondence is adequate to confirm our license cancellation. However, if you need further information or wish to discuss this matter further, please contact our office at any time.

Sincerely,
