Subject: Termination request for license
(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I attempted on the following dates and times to contact Mr. Galdi about the need for him to provide a written request to the Commission so that the above license could be terminated. (Fairview) July 11, 2008 at 14:00 (Not present) July 15, 2008 11:00 (Should be in later) 14:00 (Left for the day) July 16, 2008 10:45 (May be in later) 15:00 (Not present) July 17, 2008 10:45 (Not present) Nutley 10:55 (Stepped out for lunch) 13:00 (Left for Fairview) 13:10 Mr. Galdi left message to call him. 13:35 Spoke with Mr. Galdi. He stated that he had spoken to an individual last week about the license. He confirmed that it was about the fingerprinting issue which I said was about the authorization amounts on the license not what was actually possessed. I informed him that the easiest way out of the Increased Controls Order was for him to request termination of the license. I went over the information that we would require and he agreed to have it typed and faxed in. The first fax received was not signed because the receptionist did not realize that Mr. Galdi was in the office. The second fax was appropriately signed.

Action Required: Start having LAT process a termination request.
