Sharon,
Thanks, I'll find out if MOX is using the same stuff. If so, I'm sure
that they derated it in their calculations and fire modeling. I'm
going over to AREVA today and I'll take your report with me. Talk to you later.
Rex

Rex
Go to page 10 of the attached bulletin. This might answer all your concerns. I wrote the article, so call me if you need more info.

Subject: Quarterly NNSA Technical Bulletin, December 07

Please find attached NNSA Technical Bulletin for December 07. It is posted on the NNSA HQ Intranet: http://hq.na.gov and through the Service Center website: http://nnsaweb.na.gov

If you have any questions, you can call me. I am happy to add others to this distribution, if it is helpful in any way.

Thanks.

Sue
