Okay. Tony also mention if there were questions he deemed he could answer after reviewing it on the phone with you on Friday. I don't know if you want to do that but it is a possibility.

Okay I have talked to Tony Banks and he is actually not in on Tuesday that is the day he is out and will out for a week. Alicia and I thought he was in Turs and leaving on Weds for a week. okay Tony said that if we can get him a caopy of the table no later than tomorrow morning he should be able to coordinate something for Mon. Here are the times that work for him:

10am-11:30am Est time and 3pm to 5:00pm est time.

I know these are not the most opportune time frames but I am pulsing you all to see we can do it at any of these times.
Thanks
Laura

Alicia you said you might need some time off for a personal reason if that is the case we will go from there if you need to take just the morning or just the afternoon then maybe one of these time frames will work.

Laura/Alicia:

Per Laura's call to me this morning, it is my understanding the NRC staff wants to conduct a conference call with Tony Banks and the Dominion folks next Tuesday regarding the Acceptance Review Information Needs. Both Doug and Mike Scott are available the morning of that day, so let's try for something say sometime between 1:00 - 3:00 EST (10-12
PST) on January 15. If that isn't acceptable, let me know.

If Dominion identifies other questions where clarity is required, I will try to determine if the appropriate reviewer is available.
