Hello,
I left a voice message regarding the North Anna site audit and scoping meeting for the week of April 14th. Attached is the schedule so you all have an idea of what we be doing/going during the week. Also I sent out the fliers to be put out in the local community for the April 16th meeting. They should be there Mon.
Can you please confirm that at least 1 if not both resident inspectors will be attending the meeting on April 16th at the Louisa county High school beginning at 6 (open house) meeting actually starts at 7. The Tac for the fliers is RE2210.
Thanks
