Valerie
Ellie informed me that getting a conference room may pose a problem. I will check with Dominion as well as explore some other options.
Thanx

Good morning, Ms. Williamson. I've been trying all week to find a conference room that will hold all of the participants for the April 17 North Anna meeting, and every place I've tried (including here at DEQ) has already been booked. We're expecting about 12 individuals from DEQ and the other state agencies. If all of the people with your organization are included (23), we would need a conference room that would hold 35 people. We would also need a conference call phone for the individuals who would like to participate but are unable to come to Richmond on that date.

Would it be possible for you to make arrangements with Dominion to use their conference room? Ellie is off today, so if you would let me know as soon as possible so that I can inform all of the participants that would be great.

I have not heard from any of the reviewers yet. I have asked Valerie to make arrangements for a meeting room. We will send a reminder.

Hi Ellie
Just wanted to check in with you regarding the status of the proposed meeting between NRC and State of Virginia on the North Anna COL for Unit 3.
I guess, I wanted to know if things were looking good or not for the proposed date.
Please let me know when you get a chance.
Thanx
Alicia
