Subject: "public" hearing in Newfane, VT on VY

I would like the hearing record to show that the "public" hearing on Vermont Yankee to begin on Monday, July 21, 2008 has been scheduled in a courthouse in Newfane, VT that is not accessible to the handicapped. There is no ramp, railing, or way to enter the courthouse. There are steps at both entrances. I also understand that the courtroom is located on the second floor and there is no elevator, only a narrow staircase. I can not attend and neither can many other handicapped persons. This is not a public hearing if all members of the public do not have equal access to attend.
