Dear Dr. Winston:

This letter confirms the telephone conversation between you and Patricia Vacherlon on August 26, 1982.

It is our understanding, from this conversation, that you wish to withdraw your amendment request dated June 28, 1981 to add your name to the Woodland Medical Group's license as authorized user. Therefore, we are voiding your request.

We will forward this information to our License Fee Management Branch who, in turn, will contact you concerning the fee submitted with your application.

If you have any questions regarding this closeout action, please contact me at 312-932-2625.

Sincerely,

Bruce S. Mallett, Ph.D., Chief  
Materials Licensing Section
