Name of Licensee:	Cardiology Group, PC, New Haven CT Cardiology Consultants, Hamden, CT
Name of Participant(s):	Betsy Ullrich, NRCp; Fran Bern (sp?), Administrator, Cardiology Group, PC
Telephone No.	203-773-3055
Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Letters dated 6/20/08 requesting that Cardiology Group 06-30162-01 tale over Cardiology Consultants, 06-30811-01

Summary: I spoke with the Administrator for Cardiology Group, Fran Bern (sp?). Dr. Brier who is the AU and is the RSO for both licenses, was with a patient and not available.

I explained that we were not sure which of two pathways they licensees wished to take, but that I had been discussing it with Claire Timpter? Teer (sp?) at Cardiology Consultants as well. They could either (1) provide the information we need for a change of ownership/transfer of responsibility and we would maintain the Hamden license under the new owners, Cardiology Group, PC; OR, (2) Cardiology Group could choose to add the Hamden location to their New Haven license, and we would terminate the Cardiology Consultants license simultaneously.

Fran said that the gamma camera in Hamden is leased, and the lease is up August 1 so they would be temporarily decommissioning that facility anyway. The lease on their New Haven camera is up in February 2009, and the current plan is to lease a new camera in Hamden and then close down the New Haven facility. This gives them a 3rd option: they could have Cardiology Consultants simple terminate the license, then Cardiology Group PC could amend their license at some later date to add a new location.

She said that she would get back to us no later than tomorrow about this, and took my name and number in case they have additional questions.

Action Required: Wait for decision from licensees.
