Subject: Telecon to Obtain Clarification on Recent Responses

Mike and Donna,

I have arranged for a telecon to obtain clarification on recent responses to RAIs regarding neutron embrittlement and submerged cables. Below are the details for the telecon.

Time: 10:30 am - 12:00 pm EST

Dial in number: 888-989-8134

Pass code: 18065

Entergy will have 3 lines for use.

We plan to discuss Barry Elliot's questions at 10:30 am, and Roy Matthew's questions beginning at 11:00 am.

Please let me know if you need to reschedule all or part of the telecon.

Thanks,
Kimberly Green
