Re: License Number 21-32190-01MD

Mr. Hueter:

This letter is a request to have the following authorize user, James M. Bichler, added to our pharmacy's NRC license.

His current address is 417 Comfort Lane Traverse City, MI 49686

Jim received his authorized user training from Ohio State University in October 2002. He was previously employed by Mallinkrodt, Inc. in the state of Ohio and was listed as an Authorized Nuclear Pharmacist on their license number 02500310002. Jim began employment with PharmaLogic MI on June 16, 2008 and is in the process of reciprocating his pharmacy license to Michigan.
His Ohio pharmacist license number is 03-3-25579. He also holds pharmacist licenses in Colorado (PHA-17029) and Wisconsin (13800-40).

Enclosed is his authorized user training documentation, a copy of the RAM license in which he was named an authorized user from the state of Ohio, and copies of his pharmacists licenses from Ohio, Colorado, and Wisconsin.

Please call or e-mail me with any question or requests for further information. The pharmacy contact number is 231-929-7200 and my e-mail address is dana.suttle@gmail.com

If a copy of the amendment could be faxed to me at 231-929-4457 upon its completion, I would be most appreciative.

Sincerely,

Dana L Suttle RPh
