Docket No. 71-0804

On November 11, 2007 EnergySolutions received U.S. Nuclear Regulatory Commission (NRC) approval for our 10CFR71 Quality Assurance (QA) Program, Approval Number 0935. This approval identifies the following locations for performing 10CFR71 activities:

|  |  |   |
|--|--|---|
| EnergySolutions<br>140 Stoneridge Drive, Suite 500<br>Columbia, SC 29210 | EnergySolutions<br>740 Osborn Road<br>Barnwell, SC 29812 | EnergySolutions<br>1700 Longwood Road<br>Columbia, SC 29209 |
|--|--|---|

EnergySolutions requests that the following location be added to our QA Program Approval:

EnergySolutions  
2105 S. Bascom Avenue, Suite 160  
Campbell, CA 95008

Activities at the 2105 S. Bascom Avenue location are currently performed under the EnergySolutions Spent Fuel Division (SFD) QA Program, NRC Approval Number 0804. All activities and services that were provided under the SFD QA Program will be provided under the EnergySolutions Corporate QA Program (71-0935). We request that you cancel the EnergySolutions Spent Fuel Division QA Program, Docket Number 71-804, effective August 15, 2008.
