Re: Notice of Transfer- Ni-63 Devices

Dear Director:

This is to inform you in accordance with 10 CFR 31.5 (C)(8)(i) and (ii) that the Connecticut Department of Public Health Laboratory (recipient code 708101) transferred for disposal six Electron Capture Detectors (ECDs) to Agilent Technologies, 2850 Centerville Road, Wilmington, DE 19808. Notice was received on July 2, 2008 that these detectors had been received for further disposition on June 19, 2008.

Serial Number	Model Number	Date Received
K0288	19233-69576	6/19/08
K0289	19233-69576	6/19/08
L2503	19233-69570	6/19/08
