Name of Licensee:	Cardiology Group, PC, New Haven CT Cardiology Consultants, Hamden, CT
Name of Participant(s):	Betsy Ullrich, NRCp; Tracy Merola, CNMT, Cardiology Consultants
Telephone No.	203-281-6636
Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Letters dated 6/20/08 requesting that Cardiology Group 06-30162-01 take over Cardiology Consultants, 06-30811-01

Summary: Tracy Merola called to discuss the situation at Cardiology Consultants and yesterday's call with Fran at Cardiology Group.

Cardiology Consultants expects to close its facility by July 31, so no more action to have Cardiology Group take responsibility will occur. Instead, Cardiology Consultants will request to terminate the license. If the Cardiology Group PC wants to use that facility at a future date, they could amend their license at some later date to add a new location.

Tracy will provide termination information in a few weeks. In the mean time, she has a letter in dated June 19 naming a temporary RSO. I told her we would add these two June 20 letters to that action, and based on our telephone conversations, take no further action on the June 20 letters.

Action Required:	Telecon to LAT for package 142541. Have LAT assign 142541 to me, and place all related telecons and email into that package.
