Subject: Call on Monday/Tuesday on RAIs

Tony,

Regarding you voicemail on a telecon next week:

I am sending this email because I am not here next week but I am happy to telecon in but Alicia and Bill please check your schedules and see if you can support a quick call with Tony and a few others on a PM level at Dominion to over the RAIs. Dominion wants to go over their understanding of the RAIs now that they have them in writing. It is a PM level call no SMEs. Alicia I know you are just getting back so I did not want to guess which day works better for you. So Bill and Alicia see what times work and let Dominion know and me know and I 'll see if I can join in. My guess is since Alicia is already aware of this request from the other day that the earliest will be Monday afternoon sometime but unfortunately since Alicia is not able to make this call until your return she will let us know exactly what times work best for her and Bill can let Alicia know what times work for him.

Thanks
