Laura T. Smith, Physicist	Aggarwal & Asdsociates,M.D.'s, P.C.	586-215-5947
Licensee designated contact	Warren, MI	FAX 586-716-0577

SUBJECT

Control No. 317246 - Re - Amendment request (NRC License No. 21-32405-01) to authorize a new location of use located at 15101 Southfield Road, Allen Park, MI.

SUMMARY

In a telephone conversation with Ms. Smith on this date, I related the map for the new location of use which was stated to be attached to the amendment request by facsimile dated May 20, 2008, was in fact not attached. I requested that it by sent to me by facsimile (630-515-1078) as additional information to Control Number 317246. I also noted that the mailing address on the license appears to be incorrectly shown as 29610 Ryan Street where as all records appear to show it as 29610 Ryan **Road**. Ms. Smith confirmed that **it should be Road**, and not Street, and concurred that I make that correction on the license as amended.

ACTION REQUIRED

Licensee to **provide the map of new location of use as discussed above, as additional information to Control No. 317246** and **send it to me by facsimile at 630-515-1078. No followup hard copy needed.** Also, license reviewer to make correction to mailing address as shown on license, as described above. If any questions, please call me at 630-829-9829. Also, **please call me right after you have sent response.**

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this conversation record will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at http://www.nrc.gov/reading-rm/adams.html (the Public Electronic Reading Room).
