SUBJECT: TERMINATION OF YOUR NRC RADIOACTIVE MATERIALS LICENSE

Dear Dr. Mirkes:

In letter dated, March 25, 2003, you contacted the U.S. Nuclear Regulatory Commission and indicated that you wished to terminate your NRC radioactive material license. The NRC staff has reviewed your request and based on the fact that Huron Valley-Sinai Hospital has acquired your Novi Michigan facility and DMC/Sinai-Grace Hospital has acquired your Detroit Michigan facility, no close-out survey is required. It is our understanding that licensed activities will continue under these two facilities NRC licenses.

Based on these conclusions no further action is required. Your NRC license number 21-13255-01 is hereby terminated.

If you have any questions, please call me at (630) 829-9873.

Sincerely,

James R. Mullauer, M.H.S.
