RE: Response to Amendment Request for NRC Radioactive Materials License # 21-02037-03 Bell Memorial Hospital in Ishpeming, Michigan

Ms. Casey:

Attached please find the revised facility diagram for our new Nuclear Medicine Department that will be used at 900 Old Farm Road, Ishpeming, MI 49849. Please note that 10 CFR 35.100 and 10 CFR 35.200 studies will be performed at this location. As stated before, we will operate the new area in accordance with our current regulations and licensing conditions.

We hope this revised information is sufficient. If you have any additional questions or need further information concerning this matter please contact me at 906-486-4431.

Sincerely,  
Bell Memorial Hospital
