Summary: In the letter dated June 19, 2008, the licensee requested the addition of Lev Pukin, M.D. and Alex Langman, M.D. as authorized users. The licensee provided documentation of Dr. Pukin's experience in the form of a current State of Florida license listing him as an AU of 35.100 and 35.200 materials. For Dr. Langman, the licensee provided a 313A. However, Dr. Langman does not have experience with the elution of generators. I spoke to Ms. Wheeler about Dr. Langman and informed her that he would need to get training in this area prior to being listed on the license as an AU of 35.100 and 35.200 materials. Ms. Wheeler stated that Dr. Pukin should be added to the license at this time and Dr. Langman will be added at a later date.
