Re: *Brodsky v. U.S. Nuclear Regulatory Commission*, No. 08-1454-ag

Gentlemen and Ms. Dean,

Because no hard copy record of this case exists, except what has been put together to support the certification to the Court by my letter and filing of even date, I extend to you the courtesy of the enclosed copy of all documents in the Certified Index.

Yours truly,

A handwritten signature in black ink, appearing to read "Robert M. Rader". The signature is fluid and cursive, with a long horizontal stroke at the end.
