Don,  
We might have eight individuals calling in to the call, but 3 of them can call from the same number such that 6 may be sufficient.  
Thanks,

Paul,

I have six bridge lines available for you and your team. The phone number is 877-546-1568, the participant passcode is 47957, and I am the call leader (Palmrose).

Do confirm that these are enough lines for you and if you need any other additional information.

Thanks,  
Don
