Mr. Kallan,

Thank you for contacting me. Did I perhaps write down the wrong contact information at the hearing? I ask because Ella Tyler - though from Houston and herself a part of an environmental organization - is not an employee of our organization, CLEAN, which leaves me confused as to why she was contacted rather than myself or someone else at CLEAN... Ella did however call me the other day to tell me that someone from the NRC had called looking for me and that she was passing along the message that I needed to submit comments. I must admit that I thought I had already submitted my comments. I apologize if I did not. Should it still be a possibility, I would like to submit comments. Thank you very much.

Sincerely,  
Charles Stillman
