Tony  
In not sure what Tom's direction is but I would like Laura to do the talking and if there are any questions you should join in. I think this presentation is coming from the staff's perspective and should be kept in that arena. What I do think should noted during the presentation is that you did (Dominion) provide comments and input. Please let me know if you feel differently.  
Thanx  
Alicia

Looks great to me Laura - thanks -

Have you found out yet from Tom if I am expected to 'co-present' with you or just be available to speak to slide content or answer questions? - thanks -
