Mr. Hugh Thompson, Director
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Thompson:

TENNESSEE VALLEY AUTHORITY'S SUBMITTAL OF REPLACEMENT AND REQUALIFICATION
TRAINING PROGRAM FOR PROGRAM OF RECORD

Enclosed is a copy of Tennessee Valley Authority's Procedure No. 0202.05
"Nuclear Plant Operator Training Programs."

We are using the NRC approved programs described in our FSARs as our program of
record. With this letter, we are submitting this more detailed program, and
after your acknowledgement of this submittal as TVA's Program of Record, we are
going to provide explicit reference, including date, in our FSARs.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
