Dear Ms Lanzisera,

This refers to changing the Stamford Hospital RSO contact. Unfortunately, Jim Summers our current RSO has fallen ill and is not expected to return to work. The RSC has requested that I fill the role for the time being which I am willing to do in accordance with 10CFR 35.24.

Currently I am listed as AMP on NRC license # 06-17892-01. I am a Diplomat with the American Board of Radiology (ABR) for Radiological physics (2004). I also have a Medical Physicist Therapeutic Radiology license #000151 with the State of NY.

I will be out of the country from July 31st – August 14th but reachable by email. If you need information on RSO training during the next few days please contact Peter Mas, RSO at Hartford Hospital (860)545-2676 and/or Dr. Joseph Bargellini, RSO at New Milford Hospital (860)210-5020.

Thank you for your patience and help during this difficult transition.

Sincerely,

Sarah Bull, Senior Physicist
